Company Profile

Foshan Duci Building Materials Co., Ltd. ,founded in 2019, is a comprehensive ceramic enterprise which integrates product design, research, development and selling. Product range includes rustic tile, marble tile, mosaic and all the using materials which are related to ceramic. Projects and long-term cooperated customers are located all over the world, including Asia, Europe, America, Oceania and etc.

Over the years, following the pace and trend of the international ceramic market,we always keep the high standard for our customers who have good aesthetical standard in tiles' design and which request the tiles in perfect quality(including abrasion resistance,anti-slip rate and resistance to staining). Focusing on the design of products and the texture and the touching of the surface glaze, we constantly integrate the new technology to the tile's production in order to meet the highest standard of customers who have the perfect pursuit of products. Since the establishment, we have been committed to establishing a strict quality control system, and have built a complete scientific production inspection system, from the assessment of factory in advance, the development of design, testing of the final sample, and to the end, the mass production of tiles, all the needed procedures are under in strict control.

Foshan Duci Building Materials Co., Ltd. is located in Foshan, adhering to the integrity and professional quality service, welcome all the taeget customers from all over the world.

INSTALLING OF PEDESTAL PAVING

悬空铺贴法

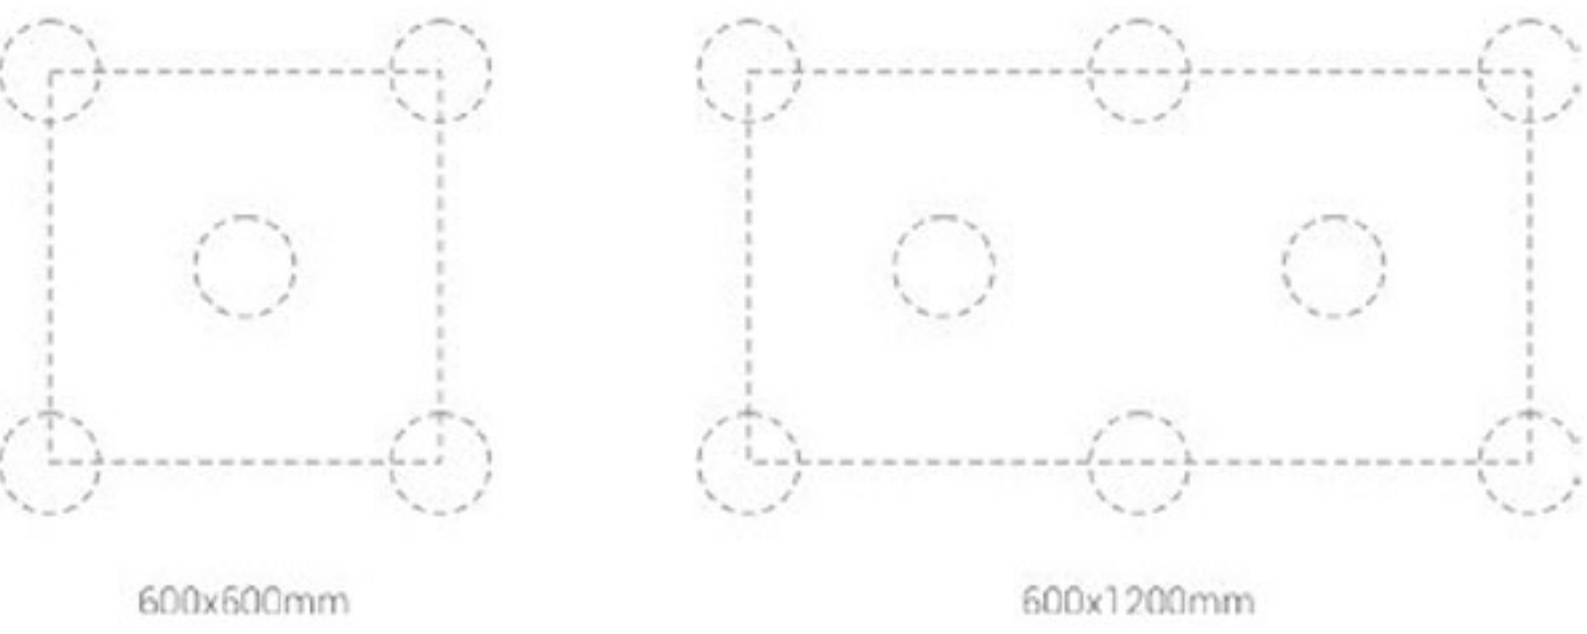

- 材质：PP 高密度聚丙烯
 - 高度调节范围：12.5-1200mm 坡度调节范围：0-5%
 - 广泛应用于：水景喷泉、楼顶阳台花园、广场铺路等领域， 架空石材地板、木塑地板、防腐木地板龙骨、格栅地板等
 - 安装快捷，维护方便，承压能力强，美观度和精确度高，使用寿命长
-
- Material: high density polypropylene PP
 - Height adjustment range: 12.5-1200 - mm slope adjustment range: 0-5%
 - Widely used in: the water fountain, the roof terrace garden, square paving and other fields, overhead stone floor, wood and plastic floor, anticorrosive wood keel, grille, floor, etc
 - Quick installation, easy maintenance, bearing capacity is strong, beautiful and high precision, long service life
